November 2012 - Americas art is a popular marketplace that connects retailer buyers with many top brands of furniture, clothing, accessories, and more. In order to reach out to more visitors, they enlisted in the help of Vertical AVTV to provide and install inviting digital signage. Forty televisions and various cables and speakers were installed to create two video walls for Americas art. After the completion of the project, marketing content for visitors can be easily displayed.

ABOUT VERTICAL AVTV
