

Vertical AVTV

Embarcadero Center, a well-known business complex in San Francisco, gave Vertical AVTV exclusive rights to provide DIRECTV service for its tenants. Upon the request of Boston Properties, Vertical AVTV installed DIRECTV D satellite systems around the complex to service any tenants in need of cable television. As a result, all tenants of Embarcadero Center can easily call Vertical AVTV with questions, concerns, or service issues, and Boston Properties can trust Vertical AVTV to make their tenants happy.

ABOUT VERTICAL AVTV

Vertical AVTV is a single source for audio visual and satellite television turn-key solutions. We provide a fully managed satellite television system as well as a wide range of audio visual products and services including system design, engineering and programming, project management, hardware and technology, installation and integration, and service and maintenance.
