

Vertical AVTV Develops AV System for Marketo

March 2015 - Vertical AVTV installed, tested, and integrated a brand new AV system in Marketo's Atlanta office. Marketo, a marketing software company based in California, received new equipment in six conference rooms and an open work area. Vertical AVTV installed televisions, mounts, and Crestron DigitalMedia control systems in the rooms to provide Marketo with a dependable and user-friendly AV system.

ABOUT VERTICAL AVTV

Vertical AVTV is a single source for audio visual and satellite television turn-key solutions. We provide a fully managed satellite television system as well as a wide range of audio visual products and services including system design, engineering and programming, project management, hardware and technology, installation and integration, and service and maintenance.
