

Vertical AVTV Installs AV System at Republic Plaza

March 2016 - Republic Plaza, a beautiful building located in the heart of downtown Denver, needed to upgrade six of its tenant-shared rooms. The property managers, Brookfield Properties, worked with Thresher Communication & Productivity to determine the specifications for the rooms, and Vertical AVTV integrated and installed the AV system and equipment. The engineer and project manager at Vertical AVTV installed projectors, screens, TVs, speakers, Crestron DigitalMedia equipment, and many other pieces in order to complete their requests.

ABOUT VERTICAL AVTV

Vertical AVTV is a single source for audio visual and satellite television turn-key solutions. We provide a fully managed satellite television system as well as a wide range of audio visual products and services including system design, engineering and programming, project management, hardware and technology, installation and integration, and service and maintenance.
